

Meet the business of the month!

Mari believes that quality, unhurried care is what turns a single massage into full-spectrum support through pregnancy, birth, and postpartum.

“

“My dream client would come in for their first massage, realize I have magic hands, want a doula consultation, and then hire me for doula services. I massage them through their pregnancy, teach them birth prep, attend their birth, and follow up with postpartum support and rituals.”

– Mari Allday, Pushing Boundaries Bodyworks, Massage Therapist & Birth Doula
